Commissioner for Patents

In view of the letter from Board Of Patent Appeals and Interferences mailed August 17, 2004, that the Amendment After Final filed March 19, 2003 has been entered and scanned for the purpose of appeal. The Detailed Action attached to the Advisory Action mailed April 4, 2003 was an inadvertent error. A request to 1700IFWPROCESSING and IFW problem teams has been sent to remove said Detailed Action. Since both incidents are in the process of correcting and do not affect the Examiner's Answer, the application has been forwarded to the Board of Patent Appeals and Interferences for decision on the appeal.
